

TEAM

# QUICK START GUIDE

## 1. SET UP YOUR TEAM PROFILE

- a. Add your team details and picture.
- b. Add your roster.

**\*\*The email is important! All account setup and streaming info will be sent to it.**

**DON'T FORGET TO TAKE PICTURES OF YOUR TEAM FOR THE ROSTER!**

## 2. SET YOUR SCHEDULE

- a. Select your event from the dropdown menu, or create a new one if it is not an AGL partnered-event.
- b. Fill in the remainder of the required fields and click save.

## 3. MANAGE YOUR ADMIN TEAM

Any admin can log into their account and stream and score games. The person who creates the account is the designated SuperAdmin. Each team is allowed 5 admin.

All admin can add additional admin, but only the SuperAdmin can edit other admin's information and control who can view statistics. The admin credentials are also used for streaming and scoring, so consider adding a designated scorer/streamer as one of your 5 admin accounts.

**AGL CAMERA & MOUNTING  
GEAR IS INCLUDED WITH YOUR  
TEAM SUBSCRIPTION!**

## **STREAMING & SCORING**

You will need TWO Devices:

- One AGL Camera
- One personal device (any android or apple device will work)

## **STREAMING & SCORING CREDENTIALS**

To begin streaming & scoring, log in to each device with an admin email address and password. Any time you are logging in to stream or score, or just wanting to view stats in an admin account, select user type: "Team".

You can log in with the same email and password on the scoring and streaming device at the same time if you wish, but it is not required.

# ATHLETE PROFILES

In addition to the AGL Camera, through your team subscription, you will have access to custom athlete profiles for every member of your roster!
